

## [Notification] Electronic Membership Cards Implementation Status

The introduction of electronic membership cards is now complete in many countries and jurisdictions. Kudo practitioners in the following countries and jurisdictions can check their electronic membership cards by logging into the Kudo Membership System (KMS) on their smartphone or PC.

(Exhibit 1 and 2: Valid membership cards)

If you practice Kudo in one of these countries and do not have an electronic membership card, please check with your branch chief. If you do not have a full membership card, you are not registered as a member of the federation.

Please be aware that even if you do have a membership card, failure to pay the annual registration fee, will cause the card to expire and you will not be able to participate in matches or take rank examinations.

(Exhibit 3: Invalid / Expired membership card)

■ Countries/Jurisdictions having completed the implementation of KMS

Algeria  
Armenia  
Australia  
Azerbaijan  
Bulgaria  
Bolivia  
Brazil  
Belarus  
Canada  
Chile  
Czech  
Denmark
