## International Instructor Qualification Regulations

### (Purpose)

1. These regulations aim to establish the fundamental principles and prevent inappropriate practices concerning the qualification of "International Instructors" within the Kudo International Federation (hereinafter referred to as "KIF").

### (Qualification of International Instructors)

2. The President of KIF shall certify International Instructors based on recommendations from Daido Juku and its member countries.

### (Qualification Requirements)

3. To qualify as an International Instructor, the following requirements must be met:
  - (1) Possession of a Kudo belt rank of 3rd Dan or higher, as certified by Daido Juku.
  - (2) Demonstrated proficiency in teaching the majority of Kudo techniques.
  - (3) Ability to provide instruction in one of the following widely used languages: English, Russian, Spanish, or French.

### (Loss of Qualification)

4. An International Instructor's qualification shall be automatically revoked when the qualification holder loses their KIF membership for any reason, or when the recommendation mentioned in Article 2 is rescinded.

### (Responsibilities of Qualification Holders)

5. International Instructor qualification holders shall fulfill the following responsibilities:
  - (1) Participate as instructors in international seminars upon request from KIF.
  - (2) Provide technical instruction to member countries upon their invitation and with the approval of KIF.
  - (3) Provide technical instruction to non-member countries upon their invitation and with the approval of KIF.

### **(Expenses)**

6. In principle, the inviting party shall bear the following expenses:

- (1) Travel and accommodation expenses.
- (2) A daily instruction fee of no less than 200 US dollars or 200 Euros (total amount when multiple instructors are invited).

### **(Qualification Administration)**

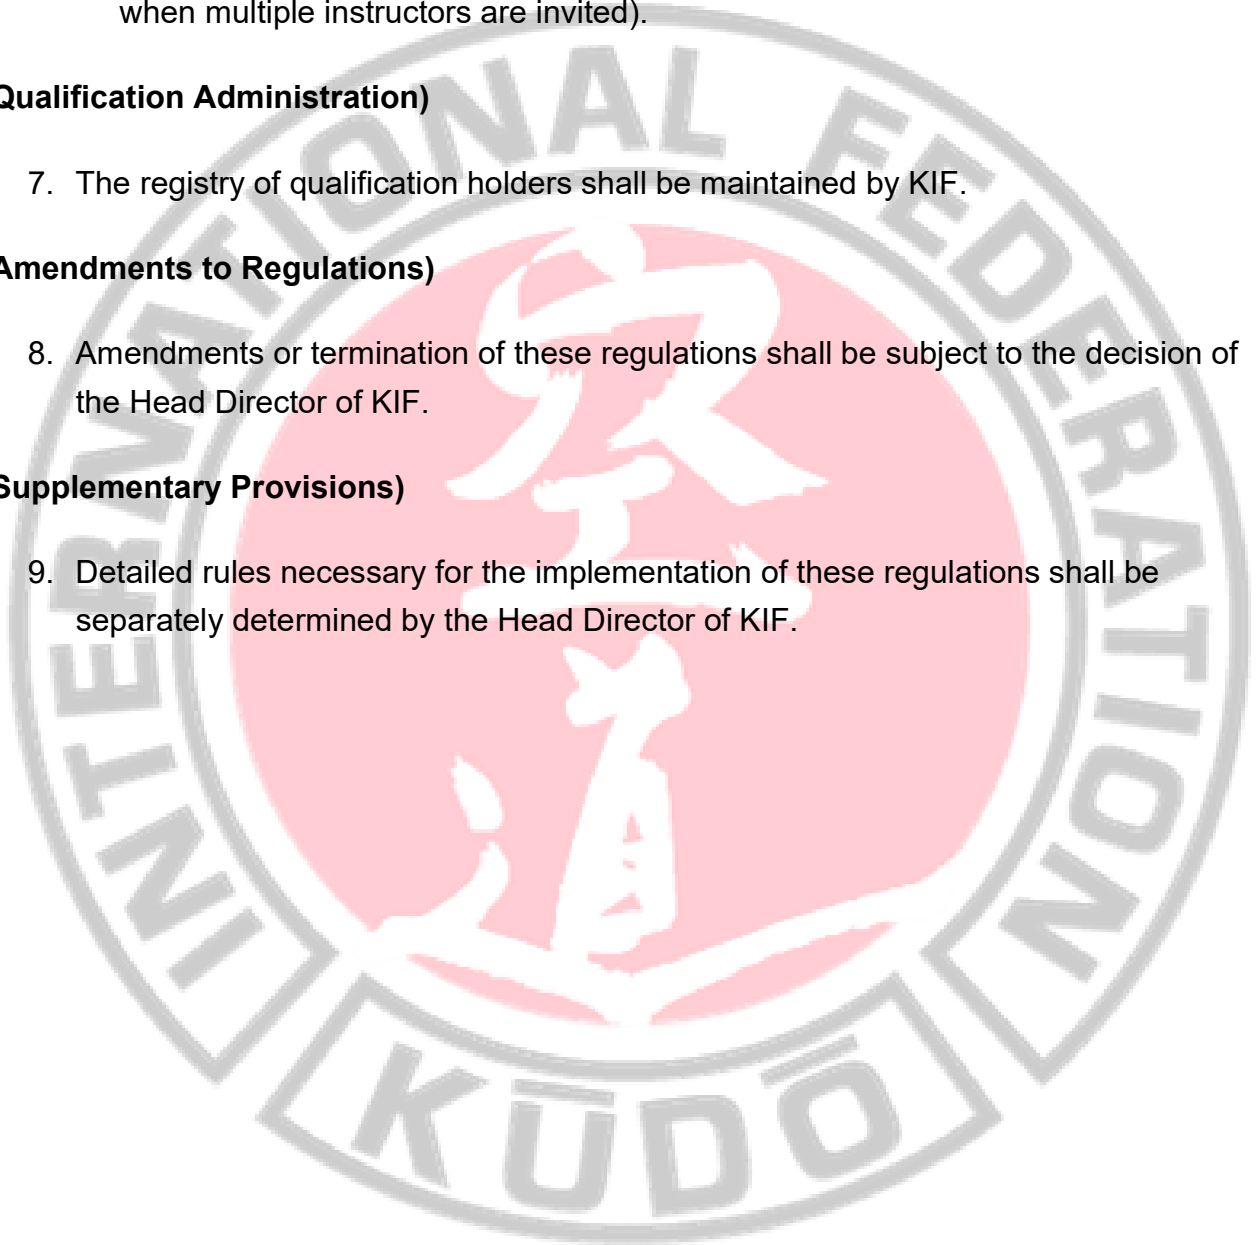

7. The registry of qualification holders shall be maintained by KIF.

### **(Amendments to Regulations)**

8. Amendments or termination of these regulations shall be subject to the decision of the Head Director of KIF.

### **(Supplementary Provisions)**

9. Detailed rules necessary for the implementation of these regulations shall be separately determined by the Head Director of KIF.
